EMBRACE THE NEW SPIRIT OF LIVING AT BLOOR & ISLINGTON

The 3 soaring Islington Terrace community residences and townhomes will claim the title of being the tallest towers to grace the Islington City Centre neighbourhood.

TOWER 1

ISLINGTON TERRACE

Architecturally striking in its sophisticated contemporary design, Tridel's Islington Terrace community is idyllically located right in the heart of Islington City Centre. This master planned community offers a full array of highly desirable features. It presents itself publicly through a streetscape with an enhanced pedestrian realm featuring high-branching shade trees and a sculptural Grand Terrace Staircase connecting the community to Islington Avenue and the adjacent Islington Station at Bloor Subway.

A formal grand allée entrance leads to a private landscaped courtyard with a canopied front entrance leading to the central lobby and Tower One, a sleek residence rising 44 storeys atop a two storey podium. With dramatic structural features, vertical and horizontal pre-cast banding, glass walls and clean linear lines, Tower 1 brings a refreshingly modernistic presence to this central Etobicoke neighbourhood.

TOWER 2

BLOORVISTA
